Good catch. Your suggested fix is correct.
Thanks,
Jenna

I've got your request to create a repayment approp to receive repayments from certain loans, but the request says it should catch "repayments from loans made from 560.143 (1) (tm)."

Did you mean the new approp should catch repayments of loans made from the s. **20.143 (1) (tm)** approp (i.e., loans made under 560.126)?

Under current law, the Department of Commerce may award a grant or make a loan to a business or researcher to fund certain renewable energy projects. Currently, repayments of the loans are deposited into the general fund. This bill appropriates the repayments to Commerce to fund additional renewable energy grants and loans and certain other economic development grants and loans.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
